

## WAGNER SUPERFINISH 23 CR SPRAYPACK (HOPPER)

Thanks to its robust construction, the SuperFinish 23 CR Spraypack with Hopper is among the most reliable pumps in its class. Its minimal use of electronic components allows for easy cleaning and maintenance directly on site, helping to reduce downtime and ensure continuous operation. Designed for maximum flexibility, the unit is also well-suited for the application of emulsions and enamels, making it a versatile choice for a wide range of coating applications.

### Easy to clean:

5 liters hopper for fast material changes

### Lightweight Airless Gun

delivers superb spray quality

### Pressure relief directly at the unit:

Stainless steel ball valve – quick release of pressure

### Easy to Transport:

Robust cart with height-adjustable handle

### Fine Adjustment:

Smooth pressure regulates from 0-250 bar for all applications

### Brushless Motor:

Easy to maintenance and reliable
